All eyes on you

Thank you Kosas for trusting us to support the launch of their latest innovation, the Soul Gazer Mascara, at Space NK, marking both our very first time staffing in **Space NK** and our debut partnership with **Kosas**.

This milestone was an exciting opportunity to help bring the mascara launch to life.

Charlotte Tilbury

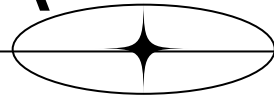

Hello darlings...

We had the pleasure of supporting Charlotte Tilbury on a pop-up activation for the launch of their new Juicy Lip Glosses at Sephora online. This was an exciting opportunity for our team to bring the brand's signature glamour to life in a fresh, interactive way and connect beauty lovers with Charlotte Tilbury's newest must-have.

TYPEBEA

Typebea, a fresh new brand making its mark in the beauty space. As we kick off this partnership, we're bringing our own unique approach and can't wait to watch the brand's journey unfold. It's always inspiring to be part of a story from the very beginning, and we're proud to help set the stage for what's ahead.

New product alert!

We are so proud to be able to partner with Gisou again this time on their launch in Space NK! Featuring their brand-new Styling Milk Hair Product. This launch gave our team the opportunity to bring Gisou's luxurious haircare into Space NK, supporting the launch of their new Styling Milk and connecting the brand with an expanded audience.
